Miss Jeannette Farina

[Redacted]

Dear Miss Farina:

General Smith has asked me to thank you for your letter of 26 February. You will understand, I am sure, that unlike most Government agencies, this one does not have printed material which it can make available in response to inquiries such as yours.

May I suggest, however, that there are a number of published sources in the field of your study which would provide a very satisfactory basis for your research paper. I am sure you will be able to find some of these either in your local library or through its loan relationships with other libraries.

With best wishes,

Sincerely,
